| 5928       | 0550            |                | 129 Bde    | Patrop from 5 Wilts. Map ref 715734 has been used as firm base for our fig hting patrols. Tonight there was a haystack on fire there and the enemy fired into the area. RA then brought down a stonk on the enemy who were obviously wide awake by this time. This delayed our fighting patrol but it got within 60 yds of enemy post at 715 739 was then seen and machine g unned. Patrol replied but was not able to close in successfully. No obs. | Seen Duty Offr |
